

PRESIDENT'S SECRETARIAT

[EBA Section]

No.D-11013/22/08-EBA

16 November 2009

REQUEST FOR PROPOSAL FOR EVALUATION AND DOCUMENTATION OF ROSHINI PROGRAMME EXECUTED IN THE PRESIDENT'S SECRETARIAT

President's Secretariat had been implementing a programme 'ROSHINI' for making the President's Estate a green, energy efficient, carbon neutral model township. Under this programme various projects have been undertaken in the following areas—adopting energy efficiency measures in lighting, usage of solar energy, biogas, treatment of solid waste, rainwater harvesting, etc.

President's Secretariat is desirous of engaging a reputed agency to undertake a third-party evaluation and documentation of these projects and thereafter to submit feasibility report for availing carbon credits under the appropriate mechanism for these projects.

Reputed agencies who have undertaken similar projects and have availed carbon credits for the same in the last five years may kindly apply by 14 December 2009 giving a profile of their organization and the work undertaken in these areas by them in the last five years.

Short listed agencies would be requested to undertake a preliminary survey of the Estate and submit their detailed project proposals in this regard.

  
(Faiz Ahmad Kidwai)  
Deputy Secretary
