

President's Secretariat
Rashtrapati Bhavan

Research Programme

Rashtrapati Bhavan houses several historical records of great significance. A programme has been launched to analyse some of these records with a view to publishing the findings.

Applications are, accordingly, invited from Indian nationals, who have a Masters degree in History, English, Sociology or Public Administration from a reputed university to work as Research Associates for an initial period of four months. Preference would be given to individuals who have completed their M.Phil or have research experience. A remuneration of Rs.25,000/- per month shall be paid for the period of their engagement.

Interested applicants may send their detailed CV to the address below on or before 26th February 2017:
